Wine celebrates friends, family, and love – all of the best things in life.”
- Jess Jackson, Founder—Kendall Jackson -

Join us for a special presentation from Randy Ullom as he presents four offerings of Kendall Jackson Cabernet Sauvignon, each from a different terroir. Randy is Kendall Jackson’s Winemaster and worked closely with founder Jess Jackson for 15 years to hone the Kendall-Jackson wine style.

Kendall Jackson is as much the story of a winery as it is the story of one man, his family and a dream. In 1974, founder Jess Jackson, famously bought an 80-acre pear and walnut orchard in rural Lakeport, California, where he planned to try his hand at creating wine from some of his favorite varietals while on weekends away from his successful career as a San Francisco attorney. "I was attracted by the lifestyle," Jess said. "I wanted to get away from law and become a farmer."

By the early 1980s, Jess and his growing family had transformed the orchard into a working winery that produced grapes Jess sold to other wineries. During a fateful harvest in 1980, a large order from another winery was cancelled, and Jess was stuck with a bumper crop of unused grapes: from this the first bottle of Kendall-Jackson was produced.

This first bottling, the 1982 Vintner's Reserve, garnered attention for its unique bright fruitiness. It was an immediate, if modest, hit. Though Jess and his family shipped less than 20,000 cases of that legendary '82 Vintner's Reserve Chardonnay, the release went on to become the most popular Chardonnay in America.

In 1983, Vintner’s Reserve Chardonnay won the first Double Platinum Award ever presented by the American Wine Competition, and has gone on to win accolades year after year.

Now, almost three decades later, Kendall-Jackson Winery produces an array of super-premium wines whose quality, taste and integrity embody the very spirit of their founder's mission.

In Jess Jackson's own words, "We grow grapes on our own 15,000 acres of California coastal vineyards. We take the no-compromise, high-road approach to quality required to grow our world-class grapes and produce acclaimed award-winning wines."

Join us at our next Wine Club meeting!

It's BBQ time!

Monday – July 23
6:30 – 9:00 PM

Please bring a bottle of Australian or New Zealand Wine
... and wine glasses
What’s the Motif?

As always, the Wine Club provides an array of appetizers at our meetings, along with those contributed by our members. We anticipate a very large turn-out at this month’s event, so member-provided appetizers would be most appreciated! We have a barbecue theme this month and will also be dishing up homemade ice cream with all the fixin’s.

Please make sure you let us know what you brought (we’ll have a sign-in sheet) so we may properly thank you. Much thanks to JoAnn Silva, Bob Morrison, Nancy & Neal Sterling, Cynthia Graff, Marcy Steele and Karolee Bush for sharing your tasty dishes at our June meeting!

Reminder

Out of respect for our speakers, and consideration of all those in attendance at our meetings, the wine table does not serve wine until after the presentation has finished.

Forget Your Wine?

Wine Club members are asked to bring a bottle of wine to share at our monthly meetings (one per couple will suffice). In the event you forget your bottle, we have implemented a new policy: Rather than having to return home for your bottle, your $10 purchase of door prize tickets will be considered your donation to that month’s event.

Support Your Wine Club & Win Fabulous Door Prizes!

Since admission to our meetings is FREE, the club relies on the generosity of its membership in purchasing Door Prize Donation tickets to gain adequate proceeds to cover expenses for the appetizers, food service supplies and the usual cool assortment of door prizes from the Wine Club - personally selected by committee member Holly Brickner and complemented by fabulous prize donations from your fellow members.

We very much appreciate your continued door prize ticket purchases and hope that you are one of the many lucky winners of the always-fun list of prizes!
Free Gifts, Door Prizes and Silent Auction!

Tickets on sale at the front desk beginning August 1!
Please make checks payable to National MS Society

September 15, 2012
1:00pm - 4:00pm
Heritage Park Clubhouse
